

EMT Optional Scope of Practice Accreditation Perilaryngeal Airway

EFFECTIVE June 19, 2014

An EMT wishing to be accredited in the optional scope of practice for perilaryngeal airway must meet the requirements listed below. Candidates must provide the EMS Division with the appropriate training documentation, be employed by an approved Kern County EMT provider, and pay the one-time fee. A list of approved providers can be found at:

<http://www.co.kern.ca.us/ems/DefibCombi.pdf>.

ALL ITEMS BELOW MUST BE CHECKED TO COMPLETE CERTIFICATION:

- Proof of training (Certificate)
- Employed by an approved Kern County EMT Provider (listed here:
<http://www.co.kern.ca.us/ems/DefibCombi.pdf>)
- Fee: \$58.00 (This is a one-time fee paid **in addition** to any certification fees that may apply).

We accept cash, money orders, cashier's checks, Visa and Mastercard – **NO PERSONAL CHECKS**. If paying with cashier's check or money order, please make payable to "Kern County EMS".
