KNOW DANGERS BENEATH THE SURFACE:

Where do they wash their hands and go to the bathroom?

Was the food cooked properly and to the correct temps?

What are the food safety risks associated with storage in an open container without proper refrigeration, dirty cutting boards, mold, and cross-contamination?

Look for the *Sticker!*

Report unpermitted food vendors by calling **661-862-8740** or through the **Safe Diner App**.
