## Comments on the Narcan Leave Behind Policy 30 Day Public Comment Period June 21st, 2021 through July 23rd, 2021 Send comments to <u>farissj@kerncounty.com</u>

	(CFD)	"Policy (I) EMS providers may stock" - Question: will program participation be a requirement, or optional as the word "may" suggests?	Yes, the program is optional for each provider. It is not mandatory that you participate.
	CFD		
Page 3; K( Procedure		Will run number, and lot number be required to be documented if naloxone originates from EMS provider's normal supply chain?	Yes, we need to be able to track each dose that is left behind. However, not if it is administered by staff during normal duties on scene.
